This Addendum is made subject to and incorporates by reference the Terms of Use (available at: <https://info.riversideinsights.com/terms-of-use>) between You and Riverside Assessments, LLC dba Riverside Insights (“Riverside,” “we,” “us,” or “our”). If there is any conflict between this Addendum and the Agreement, then the terms of this Addendum take precedence solely with respect to subject matter addressed here. Except as expressly amended herein, all other terms and conditions in the Terms of Use remain in full force and effect.

All capitalized terms used but not otherwise defined herein will have the meanings ascribed to them in the Terms of Use.

You acknowledge and agree that all Updated Norm Licenses will be available for use July 1st through June 30th of the applicable academic year. After the expiration date, use of the Updated Norm Licenses, including access to the tests, scoring services, and any associated materials, will be discontinued. Please note that the data generated within your platform account in connection with these licenses will still be available notwithstanding the expiration. No Updated Norm Licenses will rollover into any subsequent period and you will not be entitled to any refund, credit, or other payment (whether in cash or in kind) as a result of the expiration.

For any inquiries or requests regarding the renewal process or alternative solutions, please contact at inquiry@service.riversideinsights.com before your expiration date to ensure uninterrupted use of our assessments.
